

Sent March 12th

Dear Fairway Hills Estates HOA Homeowners,

A number of neighbors have shared with us that they have seen coyotes come near their homes in the last few weeks. Coyotes have been seen in the 12+ acres of our HOA open space for the first time ever.

One reason coyotes will typically venture close to homes is a food source - whether other vulnerable animals (deer & pets) or food left outside for the wildlife. Please check out these two links on why feeding wildlife is not recommended:

[www.wildlifelandtrust.org/wildlife/living-with-wildlife/four-reasons-not-to-feed.html](http://www.wildlifelandtrust.org/wildlife/living-with-wildlife/four-reasons-not-to-feed.html)

For the safety of our fellow neighbors and their pets, please refrain from leaving food outside. Any questions and/or concerns, please do not hesitate to contact us.
